

Registered Charities reported average number of volunteers and volunteer hours year on year

Calendar years from 1 January to 31 December

Average number of volunteers per week

Average of all volunteer hours per week

Year	Average number of volunteers per week	Average of all volunteer hours per week
2018	233,396	1,469,634
2019	226,423	1,527,416
2020	230,138	1,683,017
2021	227,689	1,873,806
2022	207,245	1,716,999

Data used in "Registered Charities reported average number of volunteers and volunteers hours year on year" sourced from reporting by calendar year. Data for the year 2023 is not complete as not all charities have been required to file by this date (filing due 6 months after financial end of year)".

Averages as reported by individual charities, totalled for each section.

Data used in "Top five charities", "volunteers and volunteer hours per reporting tier" and "volunteers numbers within each main sector" sourced from the most recent annual return filed with Charities Services by registered charities as at 12 June 2023.
